Holy One, Immortal One
Eternal One You are
Righteous One, Almighty One,
Infinite One You are

Who may ascend your mountain,
stand in your holy place?
Who may ascend your mountain,
behold You face to face?

Make us pure, make us holy
transform us to your glory
make us clean, make us new
let the well of living water overflow

Oh let your streams of living water
flow throughout this land
Come Holy Spirit,
rain down again!
